IGUANA AMPHIBIOUS BOATS

AMPHIBIOUS BENEFITS

With an Iguana, you can enjoy the many advantages of an amphibious boat :

- EASY TO LAUNCH
- SAFER TO EMBARK
- BEACH LANDING CAPABLE
- SIMPLE TO STORE
- EASY TO MAINTAIN
- WORTHWHILE

AMPHIBIOUS USES

Amphibious boats are useful in many different cases. If you are a **waterfront property owner** or if you are living on a **private island**, amphibious boats offer you the freedom of a boat without the constraints of its infrastructure. Iguanas are also perfect **yacht tenders** to access isolated beaches and transport guests.

AMAZING ON LAND

The time-proven amphibious mobility system is elegantly integrated into the hull using **coated marine-grade aluminum** and **Kevlar belt reinforcement**.

The unique design of these high-tech boats with tracks allows the Iguana **to land safely on any terrain** from soft and wet mud to uneven rocks and pebbled beaches.

Capable of climbing up to **22 degrees, 40% inclines** on all terrain. The tracks deliver the ground pressure equivalent to a human being. It is the most capable amphibious boat.

The reliability of our system has been proven over the past 10 years. The Iguana is crafted from a variety of **high-quality materials**, making it a boat that is effortless to use and maintains a **high level of performance**.

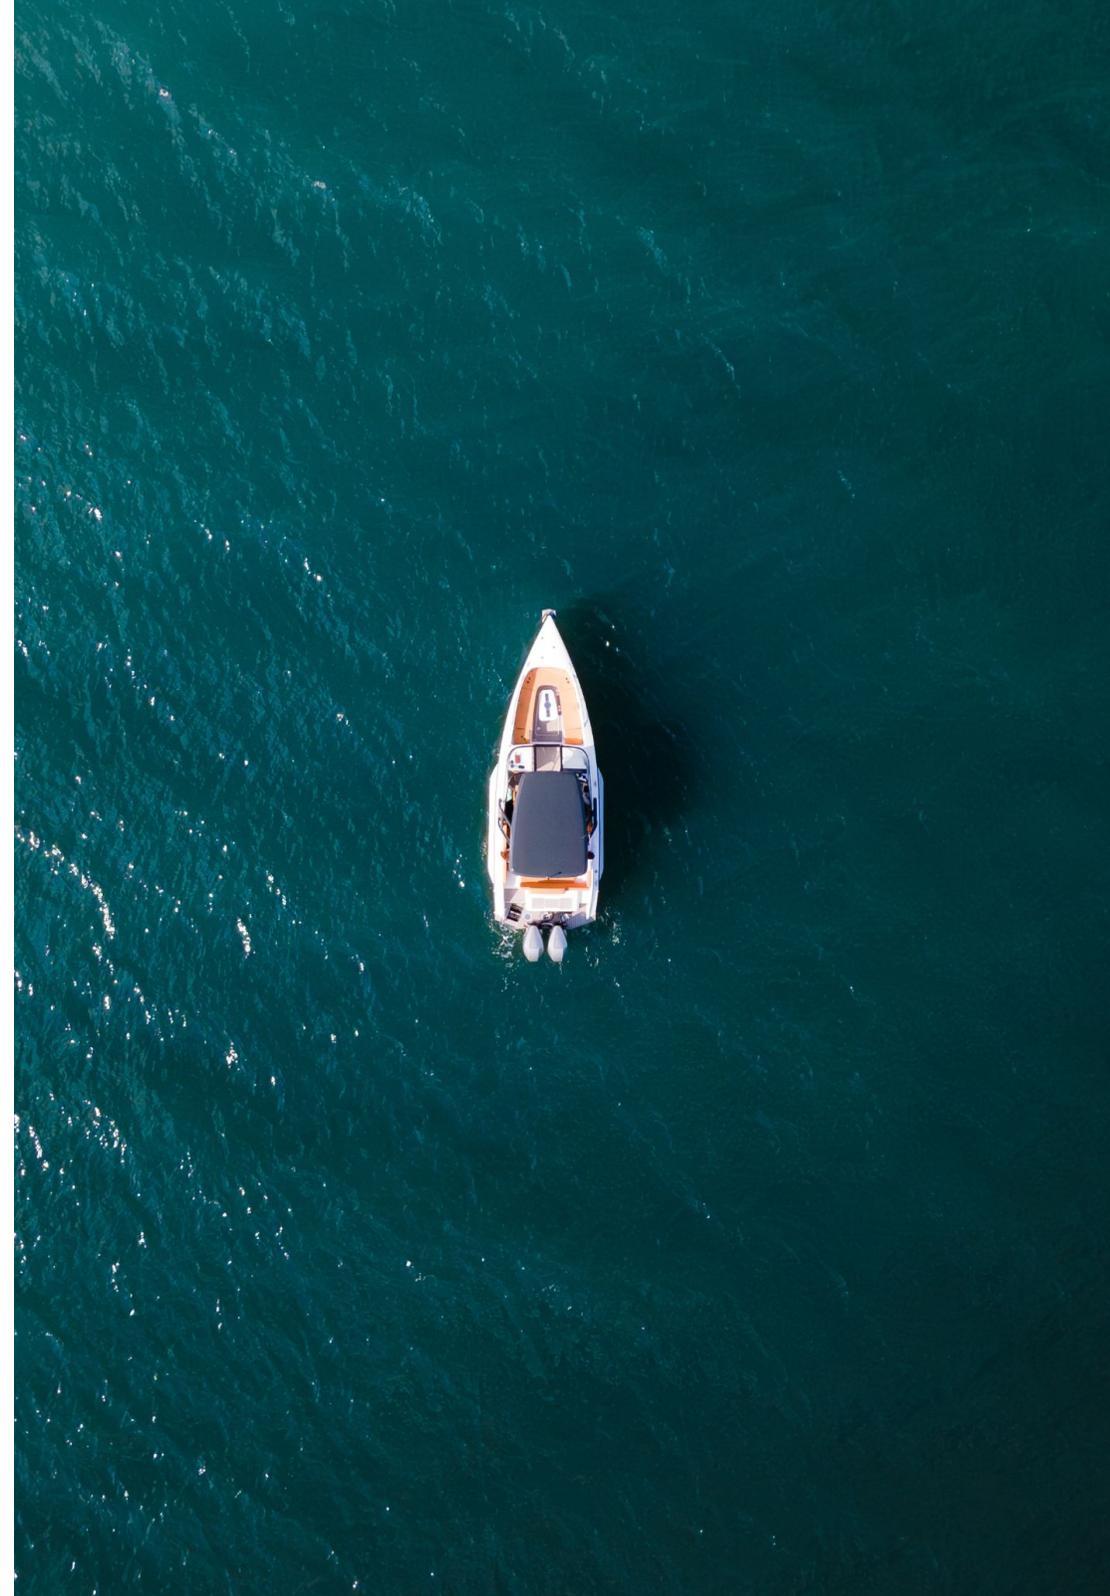

- 6.5 KM/H
- 40% INCLINES
- 8 SECONDS TO DEPLOY THE TRACKS
- SAFE
- STABLE
- ALL-TERRAIN BOAT

AMAZING AT SEA

Experience **fast and comfortable** sailing with the Iguana Sport. With its **semi-planing V-shaped hull**, it guarantees impressive speed and safe cruising.

Even at high speeds, the high freeboards are perfect to **protect you from water spray**. The smooth marine hull makes the boat flexible and versatile. Thanks to its balance and low center of gravity, it gives you a sensation of speed like no other.

- POWERFUL
- DYNAMIC
- SHARPNESS
- SAFE & PROTECTED
- AESTHETIC
- HOMELY
